### To whom it may Concern

This is to confirm that PGS has sub contracted SOHATRM, a company specializing in transport of all materials and equipment with its offices at the Industrial zone - Gabes

We certify that SOHATRAM has offered to PGS its service with professionalism and respect of all HSE rules.

Should similar services be required we see no reason why SOHATRAM should not be considered.

We do not hesitate to recommend any company to ask for their services.

Sincerely

R Kendell  
Country manger
